Press Release

December 14, 2012
Nuclear Regulation Authority

Regarding the 2nd Expert Meeting on Follow-up to Recommendations from committees established under the diet and the government related to the Fukushima Dai-ichi Nuclear Accident

Regarding the government efforts after receipt of recommendations from “National Diet of Japan Fukushima Nuclear Accident Independent Investigation Commission (NAIIC)” and “Investigation Committee on the Accident at the Fukushima Nuclear Power Station of Tokyo Electric Power company”, the government of Japan is required to steadily make follow-up and to announce its results to the public.

Therefore, the Cabinet Secretariat and the NRA are to make follow-up with concerted efforts of the whole government while asking cooperation from other relevant administrative bodies and listening to various experts’ opinions. The meeting of the above title will be held as follows. The 2nd meeting will be open to the public.

1. Time and Date:
   10:00 – 12:00, Tuesday, December 25, 2012

2. Venue:
   Mita Kaigisho, 3F, Main Conference Room (2-1-8, Mita, Minato-ku, Tokyo)

3. Agenda
   (1) Hearings from the relevant ministries and agencies on their efforts of responses for the affected residents, the nuclear regulatory organization and system, etc.
   (2) Others

   (Contact Person)
   Mr. Mamoru Maeoka
