The NRA has received a report from TEPCO on “the implementation status of the restoration plan for Fukushima Daini NPS base on the Nuclear Operator Emergency Action Plan (interim report on the restoration completion at Unit 2)

Today (February 20, 2013), the NRA has received a report from TEPCO regarding the status of its restoration at Fukushima Daini NPS. Hereafter, the NRA will conduct an on-site inspection in accordance with Article 32 of the Act on Special Measures Concerning Nuclear Emergency Preparedness. The NRA will later release the result of the inspection.

This submitted report from TEPCO is based on the direction issued by the defunct NISA dated January 11, 2012.

Attached Document:
“The implementation status of the restoration plan for Fukushima Daini NPS base on the Nuclear Operator Emergency Action Plan (interim report on the restoration completion at Unit 2)”
